ELECTION RESPONSE

Hon. Commissioner of Patents
Washington, D.C. 20231

Sir:

In response to the Office Action [Election of Species Requirement] Applicants elect for purposes of examination alloantigen bearing cells and as the CD40 antagonist an antibody to CD40L (gp39).

The Election is with traverse. As the species are related and the two types of CD40L antagonists possess a similar binding activity and function, it is assumed that Applicant will examine the non-elected species upon a determination that the elected species are allowable.

Respectfully submitted,

PILLSBURY WINTHROP LLP
